

The past year (2019): CP AoR

- MHPSS has a higher level of priority
- Save the Children seconded a MHPSS coordinator specialist to CP AoR
- Support to better coordination health/education/protection
- Deployments to Cox Bazaar, intense remote support South Sudan
- Support CP AoR coordinators and partners through multilingual help-desks
- Taking stock of what is in HNO/HRP regarding CP in MHPSS
- Support in HNO/HRP several countries

Looking forward 2020-2021: CP AoR

- Working to close the gap of about 7 million children in needs of services (through HNO/HRP process)
- Going for comprehensive MHPSS in Child Protection (as opposed to PSS), including aspect related to coordination groups
- Global capacity building for MHPSS in CP
- Optimizing level 2: overlaps with education: alternatives/compliments to CFS, relation between TLS and CFS
- Tune coordination with health/protection
- Enforcement of level 3
- Minimum service package / costing elements
- Deployments to Venezuela/ Colombia/Niger and others
- remote support to multilingual help desks
