

The past year (2019): Joint Operational Framework

- Between global health (GHC) and global protection clusters (GPC) to create a framework to better meet the needs of: **victims of ERWs/ UXOs (mine action victim assistance)**, **GBV survivors** and **MHPSS**.
- Project managed by the Global Health Cluster, through a Consultant.
- **Steering Committee**: GHC, GPC (plus AoRs: CP, GBV & MA), OHCHR and IASC MHPSS Co-Chairs.
- Case study countries Sept – Dec 2019: **Libya**, **oPT**, **South Sudan** and **Afghanistan** and **Yemen** - remotely.
- Bi-monthly conference calls with Steering Committee members.
- Face-face meeting to review recommendations and decide next steps in **December 2019**.
