

**Support people who have symptoms  
to self-isolate and to go for testing**

**Protect yourself and those around you.  
Follow advice from your Ministry of  
Health or any reliable source**

“  
Support each  
other during the  
Coronavirus  
outbreak”

**Hope, love and care build  
resilience in children and families**

**Be supportive,  
help avoid  
stigma and  
discrimination**

**Talk to someone  
if you are worried**
