

On 17 May 2022 the **IASC Reference Group for MHPSS in Emergencies** hosted the online session *Mental Health and Psychosocial Support (MHPSS): Bringing wellbeing to the communities through multi-sectoral integration* at the HNPW.

Key materials and resources were shared at the session to support actors from all sectors to integrate MHPSS in their actions.

In addition, three experiences from country level integration were shared by colleagues in Bangladesh, Mozambique and Venezuela. The resources are shared in this document, which can be used as a tool for MHPSS integration across sectors.
