

Sharing experiences: a dialogue about training, supervision and implementation of PM+

A STRENGTHS Community of Practice webinar hosted by Intervention Journal

Intervention is hosting a webinar on the topic of Problem Management Plus (PM+) on April 13th 2021. We have invited four practitioners with articles in the March issue of *Intervention* to talk about PM+ as a springboard for dialogue with the CoP. Come ready to share your thoughts, experiences and questions with your peers on training, supervision and implementation.
